SECRET,

25X1

2. Comment. The troop trains with components of the 7th Cds Necz
Div moving to lerlin were previously reported.
The tanks protably belong to one of the two mechanized regiments of the division stationed in Fuerstenwelde.

3. Comment. The observations indicate the previously reported return movement by rail and by road of commonents of the 1st Necz Div from Earlin to Doeberitz.

25X1

4. Comment. The entraining of elements telonging to the 30th Cds Cum Arty Prig at 'ildpark Official records indicate that the trigade moved to Altengrabow on four troop trains rotating with another brigade of the 34th Arty Piv (US).

SECRET,
